## Opening Prayer

- Budget
  - Went through the current budget in relationship to our current spending. We seem to be right on track with spending, despite Matt's curriculum changes. What about income?
  
- Volunteers
  - This year we had quite a struggle to find all of the needed volunteers. We are still one short in 4<sup>th</sup> grade, two short in 5<sup>th</sup> grade, two short in 8<sup>th</sup> grade, and several more are needed for the confirmation program's classes. Erin called all parents in 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grade to find catechists. Had no catechists until the week prior to the program year. Julie H. talked about parents feeling like that isn't where their skills lie and that most parents would do anything for their children. How do we get volunteers????
  - For the Next Meeting: Each person should bring two ideas as to how to get volunteers more easily.
  
- Handbook
  - Discussed attendance problems, and the sending of postcards reminding parents of sessions. How could we do better about this? Someone suggested that we have a parent call home that very night that the child misses FF. Matt suggested that we ask Sandy Jones to do this on Wednesday nights.

Next meeting: Tuesday, Nov. 13, 2007
