

2008 – 2009 School Board Goals

Create a culture in the school that is both warm and welcoming and is a true partnership among students, parents, teachers, staff, and administration.

Implement a standardized testing program that is meaningful to parents and stakeholders. The results need to be measurable and comparable to other area schools, public and private.

Raise the bar on academic excellence. St. Joseph School should be the best educational option in Waconia and the surrounding communities.

Promote / Market the school to St. Joseph Parish families and surrounding Catholic churches (St. Boni, St. Victoria, St. Bernard's) and other denominations looking for a quality school.

Implement effective, timely, accurate, and informative communication channels to the parents, the parish in whole, and all the stakeholders of St. Joseph School.
